**RE: *Princeton Digital Image Corporation v. Hewlett-Packard Company, et al.***  
**Case No. 1:12-CIV-00779 (RJS)**

Dear Judge Sullivan:

We represent the plaintiff Princeton Digital Image Corporation ("PDIC") in the above-referenced action. We write concerning recent developments that impact Defendants' March 23, 2012 Motion to Stay Pending Reexamination of the Asserted Patents ("Motion to Stay"). See Dkt. # 234. PDIC has learned that the claims at issue in the reexamination of U.S. Patent Nos. 4,860,103 ("the Azam patent") have been confirmed by the United States Patent and Trademark Office ("USPTO"). We attach hereto, as Exhibit A, a copy of the May 17, 2012 notification from the USPTO. Accordingly, all claims for both patents at issue in this litigation have been confirmed by the USPTO. PDIC respectfully submits that there is now no basis for Defendants' Motion to Stay.

We thank the Court for its consideration.

Sincerely,  
  
R. Terry Parker
